

Situation Vacant August 23rd 2017

Head Propagator Blue Mountain Nurseries Tapanui, West Otago. New Zealand.

With a passion for plants since 1932, our plants sell to nurseries, parks, landscapers, garden centres and gardeners throughout New Zealand. Our Head Propagator is retiring after 39 years as a special part of the business. This key vacancy represents a unique opportunity to contribute to our innovative plant breeding programmes.

Your role would be to;

- Supervise and work on the propagation of plants in order to meet the annual production plan targets for Blue Mountain Nurseries.
- Share your love and knowledge of plants and propagation in this key role.
- Contribute to the effective and efficient running of the propagation department and work with a great team of staff.

The job description and application form are available through the website at www.bmn.co.nz

Please send applications with a covering letter to Blue Mountain Nurseries 99 Bushy Hill Street Tapanui 9522, West Otago New Zealand or email to rebecca@bmn.co.nz

Applications close Friday October 6th 2017.
