

Are you interested in plants - Blue Mountain Nurseries needs you!

Blue Mountain Nurseries are an innovative propagation and production nursery. We source new plants locally and internationally for markets throughout New Zealand. If you love growing plants we have positions suited to you.

Seasonal Work

During our busy production and sales periods we need extra helpers. These positions would suit people who can work either 8am-5pm or 9am to 3pm. The skills needed for these positions are a...

- Love of plants
- Works well in a team
- Detail orientated
- Nimble handed (Hand dexterity)
- Physically fit
- Enjoys outdoor and indoor work

Nursery Apprentice

This position is a hands on production position working with a wide range of plants. This person will gain a wide knowledge of our production and marketing system as they spend time in each department being trained in the art and science of propagation, growing on, container and field production.

The skills needed for this position are a...

- Love of plants
- Enjoys growing plants
- Works well in a team
- Detail orientated
