# Shrub, Perennials & Rhododendron Catalogue 2018

Dear Clients & Friends

Happy New Year! Welcome to our 86<sup>th</sup> catalogue. We have done our catalogue on CD once again. When you put the CD into your computer you will see both a black and white and colour catalogue available as pdf files. You will require a computer with a pdf reader installed (most will already have this) such as "Adobe" (<http://get.adobe.com/reader/>) that can be downloaded from the web for free. If you have any problems with viewing the catalogue let us know so we can make other arrangements for you to access the catalogue. The catalogue is also available on our wholesale website at [www.bmn.co.nz](http://www.bmn.co.nz)

We are continually introducing new varieties that are always very popular and sell out quickly. We have more new lines available this year, so order early so as to not miss out. We are always adding to our range from New Zealand and overseas.

Some of the interesting lines from this year's catalogue come from a wide range of plants including perennials, shrubs and trees. This shows the wide range of plants that we enjoy growing for you and your customers.

We have grown Acer Rubrums for many years now after importing and distributing Acer rubrum Brandywine, Acer x freemanii Armstrong and Acer x freemanii Jeffers Red. All these forms have become mainstays of subdivisions and landscapes all over New Zealand. We have started producing a mid-size grade in 9 litre pots that suits the home gardener and will fit in their car to get them home. These acers cover themselves in red to burgundy red autumn colours that are unmatched by any other tree. Another tree that excites me this year is the dove tree Davidia involucrate vilmoriniana that we are growing from cuttings so they flower from a young tree. Their white dove or handkerchief flowers make a great display in late spring.

In the perennial range we have the dwarf Aquilegia Pumila range and we have added the pink form Rosea to the already popular Alba and Blue forms. We also have a dwarf form of Aruncus that makes a great display along pathways and borders. It is a plant similar to Astilbe but smaller with more bushy fine foliage.

We have introduced a range of Evergreen Azaleas to complement our Deciduous Azaleas. The evergreen Azaleas that we have grown are a hardy selection suited to southern gardens.

We have a limited number of Daphne odora Leucanthoe and Alba. If you want any be in quickly.

This year the full range of Eucryphia are available again. These are great for attracting the bees into the garden with their white and pink scented flowers on a small evergreen tree. Eucryphia Nymansay is my personal favourite with large lush green leaves and masses of large white flowers in January/February.

Lewisia Little Mango bred in Balclutha by Steve Newall is a little stunner with masses of mango coloured flowers in spring and early summer and again in the autumn. It is great for a dry well drained garden.

Our primula selection is always increasing and this year we add Primula capiotate Salvana with tubular lavender-blue flowers and attractive powdered silver new foliage.

We have our ever popular Scabiosa caucasica Blue Mountain bred by my grandfather Stanley Hughes in the 1950's. It was grown for cut flower and garden sales and has stood the test of time. We are very proud to have limited numbers available again of both Blue Mountain and the white Mount Cook.

Last year we released a fantastic new Bergenia called Wanaka Wine that forms a strong rounded clump with deep burgundy wine-coloured leaves during late summer and over winter. The flowers are deep fluorescent pink and glow in the evening light during late winter and spring.

The Meconopsis are stunning with glowing blue flowers and as the name suggests, the Himalayan blue poppy hails from Himalaya.

Again Leucothoe f. Crimson Globe have sold well and are putting on fantastic deep burgundy colour as the summer heat continues. The rounded form makes a good container plant for a shaded area.

Malus Flamingo has proven to be a very good feature tree with its deep red leaves and upright habit making it suitable for the smaller gardens and sections in the modern subdivisions. The double deep pink flowers are a real show stopper in early spring.

Our 2018 crops of Rhododendrons are looking great having already made one flush of growth

and some starting on their second flush, making a bushy well rounded plant. Most varieties are forming flower buds beautifully and will be ready for lifting and potting from March - April. We anticipate having some plants available from mid April with others coming on stream in May. We have included a selection guide for the Rhododendrons showing their colour, height and flowering times. We are also very happy to put together a range that will suit your area and growing conditions -all you need to do is give us an idea of numbers. Again, some varieties listed are in short supply so I encourage you to order and take receipt of your order early as all orders will be supplied on a first in basis.

Back row - Denis, Chris,  
Front row - Olivia and Rebecca Hughes

All our prices are freight free **on orders over \$500.00 (excluding GST) paid by the 20<sup>th</sup> of the month following deliver**. This works well for our customers as they know exactly how much their plants will cost.

Also to help our well organized, loyal indent customers, we are offering a **5% discount on orders dispatched during the months of April, May, June, and July for consignments over \$500.00 and paid by the 20<sup>th</sup> of the month following delivery**. In the past this has encouraged customers to have stock earlier and many have sold these plants and needed more stock. It also spreads our dispatch load making the spring dispatch more manageable.

We grow an exciting and wide range of plants but we don't grow all of these in wholesale numbers. We encourage you to draw on our stocks of these lines to fill your retail orders and to take advantage of our special discount during the months of April, May, June and July.

If you have any questions, would like to know about availability or require information about a particular variety please feel free to contact us.

Have a look at our website at [www.bmn.co.nz](http://www.bmn.co.nz) . The password to get wholesale pricing is tree14 - simply click on login at the top right hand side of the home page and then click on "are you a Wholesaler" and enter the password. Our Indent list is also available on the website.

Kind regards from the Blue Mountain Team

Denis, Chris and Rebecca Hughes

Dense heads of deep blue flowers in February. Very showy. Ideal cut flower and garden decoration. Plant in a sunny garden. Ht 1m Deciduous

AGAP VAL 175

70

175 C

## Agastache

### Agastache aurantiaca Tango

Masses of upright orange flowers cover this sun loving perennial from mid summer. The mint scented leaves form a dense clump. Handles dry conditions. Native to Mexico Ht 50cm

### Hummingbird Mint

AGAS AUR 140 30 140 C

### Agastache cana x barberi Bolero New 17

Masses of brilliant rose-purple tubular blooms cover this bushy aromatic bushy perennial. Ht 40cm

AGAS BOL 140 40 140 C

## Alcea

### Alcea rosea Blacknight

Dark black perennial hollyhock that grows to 1.5m These form a stunning display through summer and early autumn. Best grown in a sunny well drained garden.

1 ALCE BLA 140 35 140 C

### Hollyhock

### Alcea rosea Mars Magic

Dark red perennial hollyhock that grows to 1.5m These form a stunning display through summer and early autumn. Best grown in a sunny well drained garden.

1 ALCE MAR 140 40 140 C

### Alcea rosea Polarstar New 17

Flowers are pure white with a yellow eye. A perennial hollyhock that grows to 1.5m These form a stunning display through summer and early autumn. Best grown in a sunny well drained garden.

1 ALCE POL 140 25 140 C

### Alcea rosea Sunshine

Yellow perennial hollyhock that grows to 1.5m These form a stunning display through summer and early autumn. Best grown in a sunny well drained garden.

1 ALCE SUN 140 10 140 C

## ALCHEMILLA

### Alchemilla erythropoda

A yellow flowering perennial native to Eastern Europe. It forms a clump of hairy, leaves up to 15 centimetres high, with masses of yellow flowers in early summer. Grows well in a sunny position. Great for pots and borders.

### dwarf lady's mantle

ALCH ERY 140 10 140 C

### Alchemilla mollis

Greenish yellow flowers in summer on a low clump of green leaves. Hardy. Ht.30cm.

1 ALCH MOL 140 30 140 C

### Lady's Mantle

## Anacyclus

### Anacyclus pyrethrum depressus ~~New Kisses~~

Small compact daisy with masses of white flowers. Ht 10cm

### Pyrethrum

ANAC SIL 140 5x20 140 C

## ANEMONE

### Anemone multifida Major

Butter yellow flowers form above neat rounded clump of dark foliage. Flowers in early spring on stems that sit above the mounding foliage. Grows best in part shade for sun. Ht 30cm

### Wild flower

ANEM MULM 140 15 140 C

### Anemone multifida Megellanica

Yellow flowers form above neat rounded clump of dark foliage. Flowers in early spring on stems that sit above the mounding foliage. Grows best in part shade for sun. Ht 30cm

### Yellow wild flower

1 ANEM MULME 1 10 140 C

### Anemone multifida Rubra

Deep pink flowers form above neat rounded clump of dark foliage. Flowers in early spring on stems that sit above the mounding foliage. Grows best in part shade for sun. Ht 30cm

### Pink wild flower

ANEM MULR 140 25 140 C

### Anemone sylvestris

Masses of White flowers in stems 30cm long during spring and early summer. An native of eastern Europe.

ANEM SYL 140 30 140 C

## ANOPTERUS

### Anopterus glandulosa Compact Form

This low growing evergreen shrub forms a neat dense dome of dark green, performing best in a shaded location. With no work at all this beautiful plant produces cream racemes of flowers similar to Lily of the Valley.

ANOP COM 175 30 175 C

**AQUILEGIA**

## Granny's Bonnet

**Aquilegia caerulea hybr 'Red Hobbit'**

Lovely compact form, red flowers with white corolla height 35cm

AQUI REH 140 50 140 C

**Aquilegia can. Little Lanterns**

A dwarf selection with small orange-red flowers with a yellow centre. Performs well in sun, in bright dappled shade or part day sun. Ht 30cm

**Dwarf Columbines**

1 AQUI LIT 140 25 140 C

**Aquilegia fl. Pumila f. Alba**

A dwarf mound with white flowers in spring and summer and grey-green foliage. Perfect for the rock garden. Ht 25cm

AQUI PUMA 140 20 140 C

**Aquilegia fl. Pumila Rosea**

Flowers of soft shades of pink. A hardy Cottage garden plant. Likes well drained soils. Ht. 90cm.

**GRANNY'S BONNET**

1 AQUI PUMR 140 15 140 C

**Aquilegia fl. Pumila selection**

A rounded clump forming plant, bright blue flowers with white nectary spurs. Ht 20cm

AQUI PUM 140 25 140 C

**ARABIS****Arabis b. Red Sensation**

Forms a mat of green with deep pink to red flowers rising above the plant to put a display in spring and early summer. Grows best in a sunny well drained site. A native of California. Ht 15cm

1 ARAB RED 140 5 140 C

## Araucaria

### Araucaria angustifolia

A large forest tree grown for its timber. Our trees are from a high altitude so should be hardy to southern gardens. The large seed are used in cooking. Must have good drainage and even moisture.

### Brazilian Monkey Puzzle

ARAU ANG 175 100 175 C

### Araucaria araucana

Long branches of rigid spine-tipped dark green leaves on a tall stately tree. A handsome specimen tree. Ht. 5m. Evergreen.

### MONKEY PUZZLE

ARAU ARA 175 40 175 C

## ARMERIA

### Armeria Morning Star (Deep Rose)

Deep rose pink flowers cover this small perennial all summer. Great for a sunny position. Ht 15cm

ARME MORR 140 30 140 C

## Aruncus

### Aruncus aethusifolius

This dwarf form is great for the smaller garden or as an edging along boarders or paths. It forms a low mound of light green, ferny foliage, with short spikes of creamy-white flowers in early summer, similar to Astilbe. Ht 30cm

### Dwarf Goat's Beard

1 ARUN AET 140 25 140 C

ARUN AET 140 25 140 C

## ASTILBE

### Astilbe arendsii Showstar

A dwarf perennial with dark green divided leaves which are bronze when young. Flowers are red, pink or white in summer.

ASTI SHO 175 30 175 C

### Astilbe Bella

Flowers are a bright mix of pink, rose and yellow shades with bright green foliage. Ht 50cm

ASTI BEL 140 30 140 C

## ASTRANTIA

### Astrantia major

Hardy perennial ideal for cool damp sites. White flowers appear in late spring through summer. Great garden colour and as cut flowers.

ASTR MAJ 140 30 140 C

**Astrantia major Ruby Cloud**

A hardy plant for the sunny or shaded garden. Ruby pink flowers in summer. Ht. 50cm.

ASTR RUB 140    25    140    C

**Masterwort**

**ATHEROSPERMA**

**Atherosperma moschatum**

Small Tasmanian tree, with fragrant cream flowers in summer. Ht 4m. Evergreen.

ATHE MOS 175    30    175    C

**Black Sassafras**

**Azalea**

**Deciduous Azalea**

These tough hardy deciduous Rhododendrons produce spectacular usually highly scented flowers in spring to early summer. In autumn they also make a fine display with their autumn foliage. They are indispensable for punctuating the seasons in a good garden. For best performance plant in an organic free draining acid soil. Blue Mountain Nurseries is famous for developing many of the double azaleas available with Denis working on more all the time.

**Azalea Addy Wery**

Small evergreen shrub with orange/red flowers and very attractive red foliage in winter.

AZAL ADW 175    30    175    C

**Evergreen Azalea**

**Azalea Barbecue**

Masses of double apricot flowers on a compact well rounded bush in November. Ht 1m (Solent)

AZAL BAR OG    30    250    C

**Azalea Brazil**

Flowers of bright tangerine red with frilled edges, scented. Relatively small blooms, but profuse. 3 metres after 10 years

AZAL BRA OG

30

250

C

**Azalea Brilliance**

Frilled scented flowers the colour of the red/orange setting sun. Ht. 2m. Deciduous.

### Corokia virgata Leprechaun

Lovely upright form from Nekau Gardens nelson

CORO VLEP 175 35 175 C

### Corokia virgata variegated

This native has lovely foliage with a gold variegation.

CORO VAR 6 40 6L C

## COSMOS

### Cosmos atro. Black Magic

The Chocolate scented Cosmos. A summer flowering perennial for the front of the sunny border. Dark black flowers. Ht. 60cm.

**Chocolate Cosmos**  
COSM BLA 140 25 140 C

## COTINUS

### Cotinus coggygria

Smooth rounded leaves with brilliant autumn colours. Fawn coloured plumes of flowers 15-20cm long at Christmas. Ht 3m. Deciduous.

**Smoke Bush**  
COTI COG 9 60 9L C

## CRYPTOMERIA

### Cryptomeria j. Bandai-sugi

A very compact upright conifer green in summer, bronze in winter. Ht. 1m. Evergreen.

CRYP BAN 175 35 175 C

### Cryptomeria japonica Spiralis

Bright green twisted foliage on an upright slow growing conifer. Ht. 1m. Evergreen.

**Granny's Ringlets**  
CRYP SPI 175 25 175 C

## CUNNINGHAMIA

### Cunninghamia lanceolata

Hardy tree with blue green shiny foliage bronze in winter. A striking, handsome conifer. Ht. 4m. Evergreen.

**Chinese Fir**  
CUNN LAN 175 30 175 C

## CUPRESSUS

### Cupressus Greensteads Magnificent

Choice conifer with intense blue foliage all year. Very hardy. Compact flat grower. Ht. 50cm. Width 2m. Evergreen.

CUPR GRE 175 10x30 175 C

## DACRYDIUM

### Dacrydium cupressinum

Rimu. Large native conifer for a sheltered garden. Likes woodland conditions. Ht. 4m. Evergreen.

DACR CUP 175 10 175 C **Rimu**

## DAPHNE

### Daphne bholua

Richly scented, soft pink flowers in late winter on an upright small bush. Ht. 1-2m. Likes good drainage and loamy soil. Best with midday shade.

DAPH BHO 6 80 6L C

### Daphne bholua Jacqueline Postill

Richly scented pink flowers in winter-spring makes this tall shrub a must for the garden. Best planted in a moist soil shaded from the hot afternoon sun.

DAPH BHJP 6 150 6L C

### Daphne o. Leucanthoe

Highly scented pink and white flowers in early spring. A compact rounded bush. A Plant in sheltered garden. Ht. 1.5m. Evergreen.

DAPH LEU 175 25 175 C

### Daphne odora Alba

This winter and early spring-flowering small shrub with white flowers is hardy enough to with stand frosts but should be given some protection.

DAPH ODA 175 30 175 C

## DAVIDIA

### Davidia involucrata var vilmoriniana

Green heart shaped leaves turning yellow in the autumn on a small tree with spectacular white handkerchief shaped flowers bracts in spring. Ht 3m. Deciduous.

DAVI VIL 25 200 25L C **Dove Tree**

## DELPHINIUM

### Delphinium Blue Lace

Light blue double flowers with a slight pink tinge.

DELP BLU 140 30 140 C

### Delphinium e Double Innocence

Pure creamy white double

DELP DOI 140 70 140 C

**Delphinium e Pagan Purples'**

Flowers dark blue-purple, mostly double. Ht 1.5m. Bred in NZ for our conditions.

DEL P PAP 140    30    140    C

**Delphinium e Pink Punch**

Intensive dark rose shades with white and brown bee, semi dble

DEL P PINP 140    70    140    C

**Delphinium e Purple Passion**

Semi-double, deep purple with white bee shaped centre. Ht 1.5m. NZ bred for our conditions.

DEL P PURP 140    80    140    C

1 ECHI PLA 140

### Globe Thistle

15 140 C

## Elaeagnus

### Elaeagnus pungens Maculata

Leaves with a central splash of gold giving a very bright effect. Outstanding in the winter. Slow growing. Ht 1.5m. Evergreen.

ELAE MAC 175

40 175 C

**Elaeagnus x ebbingei**

Hardy fast growing upright shrub with large silvery green leaves. Highly scented flowers in autumn/early winter. Great for hedging in sun or shade. Wind, cold & salt tolerant. Ht 1.5m. Evergreen

ELAE EBB OLV 35 OLV C

**Elaeagnus x ebbingei Gilt Edge**

Leaves with gold margins giving a very bright effect. Outstanding in the winter. Slow growing. Ht 1.5m. Evergreen.

ELAE GIL 175 70 175 C

**ELAEOCARPUS****Elaeocarpus hookerianus**

An interesting native with juvenile and adult foliage, when mature masses of dainty white flowers enhance this tree. Hardy. Ht. 3m. Evergreen.

ELAE HOO 175 45 175 C

**Pokaka****ERICA****Heath**

The evergreen heaths are very hardy, dwarf shrubs ideal for that exposed site with acid organic soils. (Peat/composted pine bark/pine duff are ideal for this) Most of the forms on offer make colourful displays over winter to very early spring.

**Erica vagans Alba**

White flowers in summer on a rounded hardy bush. Prune after flowering. Ht. 50cm. Evergreen.

ERIC VALB 175 10 175 C

**White Cornish Heath****Erica vagans Diana Hornibrook**

Bright pink heads of flowers in summer. Very hardy. NO LIME. Ht. 50cm. Evergreen.

ERIC VDIA 175 10 175 C

**Erica vagans Mrs D F Maxwell**

Cerise pink flowers in summer. Very hardy. Likes peat. Prune after flowering. Ht 40cm. Evergreen.

ERIC VMRS 175 25 175 C

**Erica vagans St Keverne**

Soft pink flowers all summer. Plant in a open sunny garden. NO LIME. Ht 50cm. Evergreen.

ERIC VSTK 175 10 175 C

**Erica x darleyensis Silver Beads**

Neatly rounded plant with deep glossy green foliage and silver white flowers in winter. Ht 30cm. Evergreen.

ERIC SIL 175 25 175 C

**(E. d. Silberschmeize)****ERYNGIUM****Eryngium giganteum Silver Ghost**

An upright, branching biennial with cone-like heads of blue flowers surrounded by spiny, silvery-white bracts. Ht 75cm

ERYN SIL 140 25 140 C

**tall eryngo 'Silver Ghost'**

**Eryngium proteiflorum**

A rare, beautifully form from Mexico that has very large, silvery white, Protea-like blooms on upright, multi-branching stems. Leaves are jagged-edged, silvery too. Thrives in poor, dry, well-drained soil and looks great in containers. Incredible cut flower fresh or dried. Ht 1m

**Mexican Sea Holly**

ERYN PRO 140 10 140 C

**ERYSIMUM****Wall flower****Erysimum Beth (Cheiranthus)**

A compact free flowering small almost shrubby Wallflower with rich mauve flowers from spring. Likes well drained soils and sun. Ht. 50cm.

**Perennial Wallflower**

ERYS BET 175 30 175 C

**Erysimum Multi Colour's**

Strong growing perennial with purple/brown/yellow flowers

ERYS MULT 175 40 175 C

**ESCALLONIA**

Escallonias are tough, quick maturing, hardy shrubs which respond favourably to trimming. This with their tolerance of salt wind makes them ideal for hedging. With informal hedges trim immediately after flowering, to have a spectacular display the following year.

**Escallonia Apple Blossom**

A rounded shrub with glossy green leaves and soft pink and white flowers. Wind tolerant and excellent for coastal areas. Ht 1.5m. Evergreen.

ESCA BLO OLV 30 OLV C

**Escallonia macrantha**

Flowers rose crimson in summer on a vigorous hardy bush with large deep glossy green leaves. This is the popular red form used in hedging. Ht. 2m. Evergreen.

ESCA MAC OLV 55 OLV C

**Red Escallonia****Escallonia x Exoniensis (White Profusion)**

Also known as 'White Profusion'. A vigorous hardy shrub with white, sometimes blush pink flowers in summer. This is the popular white form used in hedging. Ht. 2m. Evergreen.

ESCA EXO OLV 35 OLV C

**White Escallonia****EUCRYPHIA**

A Choice small group of trees from south America and Australia. Highly prized for their scented white flowers during summer and Autumn. What else can you ask for a small Evergreen tree with scented flowers.

**Eucryphia cordifolia**

White flowers in summer. Hardy small tree or shrub for the open woodland. Ht 3m. Evergreen.

EUCR COR 175 40 175 C

**Ulmo**

**Eucryphia lucida Carousel**

Larger pink flowers with crimson stamens on an upright bush in summer. Spectacular in flower. Ht. 3m. Evergreen.

**Leatherwood**  
 EUCR LCAR 175    45    175    C

**Eucryphia milliganii**

Dark green dainty shining leaves and dainty white pea sized flowers in summer. Ht. 1.5m. Evergreen.

EUCR MIL 175    40    175    C

**Eucryphia x nymansensis Nymansay**

Large white flowers in summer. Highly ornamental. Prefers moist woodland position. Ht 4m. Evergreen.

EUCR NYM 175    50    175    Pi

**EUONYMOUS**

**Euonymus fortunei Emerald 'n' Gold**

Obliging plants providing year round colour. Good ground cover. Hardy. A real gem for the front of the garden. Ht 50cm. Evergreen.

## HYDRANGEA

A rewarding group of shrubs at their best when most others have finished for the year. The very popular *H. macrophylla* (*H. hortensia*) has very attractive heads of flowers from mid summer to autumn. They are divided into two groups - those with mop heads (round ball heads of flowers), and lacecaps (a flat head of flowers with the spectacular large flowers as a ring around the edge of the head) The flower colour may be: creamy white, pink - red, or pale blue - deep violet blue. It is most unusual in that pink or blue flowers are controlled by the availability of aluminium in the soil. Acid soils and aluminium sulphate gives blue flowers. Sweet, alkaline soils and no aluminium gives pink - red flowers. Flower size may also be dramatically improved by a good, well drained moist fertile soil, giving the best results. Pruning should be done each year in the spring and restricted to removing dead and weak wood right out at the base of the plant. Also some thinning maybe necessary to allow room for new water shoots to come through from the base each year. Do not trim the top back, as the flowerbuds were formed the previous summer/autumn. *H. macrophylla* should be protected from the worst of the winter frosts, this is why the deadheads should be retained until spring. I find the *H. arborescens* and *H. paniculata* forms much tougher to winter cold. They may be pruned in late winter or very early spring, as flower buds do not form until this time.

### Hydrangea arborescens Annabell

White heads of flowers in late summer to autumn. Best in some shade. Ht.1.5m.  
Deciduous.

HYDR ANN 175 60 175 C

### Hydrangea macrophylla Alpen Gluten

A rosy-red flowered mophead very good for picking. Flowers summer to autumn. Ht 1.5m. Deciduous. Prune old and weak shoots in spring just before growth starts.

HYDR ALP 6 50 6L C **Mophead**

### Hydrangea macrophylla Blue Prince

Blue flowers in summer on a medium growing bush. Prune in spring. Ht. 1.5m.  
Deciduous.

HYDR BLUP 6 40 6L C

### Hydrangea macrophylla Bluewave

Compact growing with large flattened heads of blue flowers in summer. Ht.1.5m.  
Deciduous.

HYDR BLU 6 40 6L C **Lacecap Hydranger**

### Hydrangea macrophylla Bodensee

Pink flowers in summer. Plant in shade. Prune after flowering. Ht 1.5m.  
Deciduous.

HYDR BOD 6 40 6L C **MOP HEAD**

### Hydrangea macrophylla Bridal Bouquet

White flowers in summer on a medium growing bush. Mop top. Prune in spring. Ht 1.5m. Deciduous.

HYDR BRID 6 30 6L C **Mophead**

### Hydrangea macrophylla flowermaster Blue

Mophead variety with full blue flowers in summer. A compact plant. Plant in moist soil in part shade

HYDR FBLU 6 40 6L C

**Hydrangea macrophylla Hamburg**

Large deep rose or purple flowers in summer. Hardy. Keep roots moist. Prune after flowering. Ht 1.5m. Deciduous.

HYDR HAM 6 40 6L C

**Hydrangea macrophylla Mathilda Gutges**

Large mop heads of deep blue on a compact plant in summer. Ht 1m. Deciduous.

HYDR MAT 6 40 **Mophead** 6L C

**Hydrangea macrophylla Nixie**

Reddish-mauve mophead flowers. Ht. 70cm

HYDR NIX 6 40 6L C

**Hydrangea macrophylla Renate Steiniger**

One of the best blue mop head hydrangeas. Intense blue flowers in summer on a medium growing compact bush. Ht. 1.5m. Deciduous.

HYDR REN 6 40 **Mop Head** 6L C

**Hydrangea macrophylla Todi**

Excellent deep pink. Grows best in shade with summer moisture. Ht 1m. Deciduous.

HYDR TOD 6 40 6L C

**Hydrangea macrophylla Viking**

Rich blue flowers on a compact bush in late summer. Deciduous.

HYDR VIK 6 45 6L C

**Hydrangea pan. Grandiflora**

Large heads of white flowers in summer. Likes shade and moisture. Ht. 1.5m. Deciduous.

HYDR PANG 175 40 **P.G Hydrangea** 175 C

**Hydrangea paniculata Limelight**

Dainty long panicles of creamy lime green flowers in summer. Later and more erect flower heads than H. p. Grandiflora. Hardy. Golden autumn colour. Ht. 2m. Deciduous. AGM

HYDR PANL 175 40 175 C

**Hydrangea petiolaris**

Vigorous climber, excellent on cool or shaded walls. Large clusters of white flowers. Ht 3m. Deciduous.

**Climbing Hydrangea**  
HYDR PET 175 30 175 C

**Hydrangea quercifolia Snow Flake**

Large bold leaves turn red in autumn. Double white flowers in summer. Plant in shade. Ht 1m. Deciduous.

**Oak leaved Hydrangea**

HYDR QSNO 175 40 175 C

**IBERIS****Iberis semp. Snow Cushion**

A fantastic mound of pure white flowers, needle-like leaves form a handsome plant. Flowers in winter, spring and early summer. Ht 15cm

IBER SNO 140 10 140 C

**ILEX****Holly**

The ones we offer are very tough, evergreen shrubs ideal as topiary, hedging and specimen planting. As they will tolerate shade, they may form underplanting or be good in south facing borders. All require a well drained site.

**Ilex a. J.C. Van Tol**

Dark green leaves, almost spineless. Red berries in winter. Ht 3m. Evergreen.

ILEX JCV 175 80 175 C **Holly**

**Ilex aquifolium Angustifolia**

Slow growing dark green Holly of neat pyramidal habit. Very hardy. (Male) Ht 2m. Evergreen.

ILEX ANG 175 30 175 C

**Ilex crenata Convexa**

A real gem for the rock garden. Great for low hedges. Green leaves all year. Ht. 50cm. Evergreen. Female

ILEX CON 005 25 5 C **Dwarf Holly**

**Ilex crenata Mariesii**

Small rounded leaves of bright green. Very slow growing and small. Ht1m Evergreen. Female.

ILEX MAR 175 30 175 C **Japanese Holly**

**Ilex x altaclerensis Hendersonii**

Outstanding spineless shrub with brilliant berries and green foliage. Ht 2m. Evergreen. Female.

ILEX HEN 175 100 175 C **Holly**

## INCARVILLEA

## Karakaberry

### Karakaberry

Also known as the Boysenberry

KARA 175 50 175 C

## KERRIA

### Kerria japonica

Bright yellow flowers in spring on arching branches. Very hardy. Ht. 2m.  
Deciduous.

KERR JAP 175 40 175 C

## KNIPHOFIA

### Kniphofia Dwarf Orange

Good small growing orange Poker. Good fertile soil, well drained. Sunny position.  
Ht 50cm

KNIP DWA 175 55 175 C

### Kniphofia S R H Red

Very good variety bred by Stanley Hughes.

KNIP SRHR 175 40 **Hot poker**  
175 C

### Kniphofia uvaria Border Ballet **New 17**

Low growing Poker with flowers in orange and pink shades. Ht 60cm. Likes sun  
and well drained soil.

**(RED HOT POKER)**  
KNIP BOR 140 90 140 C

### Kniphofia uvaria New English Hybrids

Low growing Poker with rich coloured flowers in red to orange and pink shades.  
Ht 60cm. Likes sun and well drained soil.

KNIP ENG 140 25 140 C

## LARIX

### Pseudolarix amabilis

Bright green leaves, turning a brilliant yellow in Autumn. Has distinctive cones  
resembling a small globe artichoke. Ht 10m . Deciduous

PSE LAR 175 **Golden Larch**  
30 175 C

## LATHYRUS

### Lathyrus vernus Rainbow

A clump forming perennial with pea like flowers of either pink , white or purple.  
Prefers a cooler summer site so plant in part shade of a hot area. Ht 25cm.

1 LATH RAI 140 30 175 C  
LATH RAI 140 30 175 C

## LAURIS

### Laurus nobilis

Aromatic foliage used in cooking, pyramidal tree or shrub. Stands trimming.  
Thrives in coastal conditions. Ht 2m. Evergreen.

**Bay Laurel or Sweet bay**  
LAUR NOB 175 30 175 C

## LAVANDULA

### lavandula ang. Lollipop

It is lilac pink in colour and has the ester oil used in smoker lollies in it. Very free  
flowering English lavender. 40 cm

**Lavender**  
LAVA LOL 140 25 140 C

### Lavandula ang. Pacific Blue

Deep blue flowers on a tidy bush in summer. Very good oil quality. Likes a sunny  
well drained site. Ht. 30cm. Evergreen

LAVA PAC 140 30 140 C

**Lavandula angustifolia Blue Mountain**

Blue flowers during summer, can be dried. Well drained soil, prefers full sun. Used for hedging, potpourri, lavender bags, cut flowers, dried decorations and lavender oil. Ht 50cm.

**Blue English Lavender**

LAVA BLU 005 10 5 C

**Lavandula angustifolia Blue Mountain White**

White flowers produced during summer, can be dried. Well drained soil, preferable full sun. Ht 30cm. Evergreen.

**White English Lavender**

LAVA ALB 175 20 175 C

**Lavandula Grosso**

Large heads of deep purple blue flowers in summer. Used for oil. Plant in a sunny position. Ht 50cm. Evergreen.

**English Lavender**

LAVA GRO 140 45 140 C

**Lavandula int. Dilly Dilly**

Long flower spikes with lengthy violet flowers. Similar to L. grosso. 60cm

**Lavender**

LAVA DIL 140 25 140 C

**Lavandula x intermedia Bogong**

Large heads of deep purple blue flowers in summer. Plant in a sunny position. Ht 50cm. Evergreen.

**English Lavender**

LAVA BOG 140 45 140 C

**Lavatera****Lavatera Barnsley**

Beautifully textured soft pink hibiscus-like blooms with dark centres on a bush. Prefers full sun, from spring to autumn. Prune before flowering in the spring to maintain a bushy plant. Drought tolerant. Ht 1.5m.

LAVA BAR 140 45 140 C

**LENOTOPODIUM****Leontopodium alpinum**

Pure white starlight flowers appear in clusters on this dwarf perennial in summer. Ht 5 - 20cm

**(Alpine Edelweiss)**

1 LEON ALP 140 25 140 C

**Leontopodium****Leontopodium souliei****New 17**

White felt like small flowers cover this gray leaved ground cover for a sunny garden. Ht 10cm

**PHILADELPHUS****Mock Orange**

A tough hardy group of non fussy shrubs. These are highly prized for their pure white flowers that produce high scent.

**Philadelphus Beauclerk**

Single white flowers with a cerise centre in summer. Fragrant. Very hardy. Ht. 2m. Deciduous.

PHIL BEA 175 30 175 C **Mock Orange****Phlomis****Phlomis fruticosa****New 17**

A small grey foliated shrub for a hot sunny position. In summer the heads of yellow flowers are produced. Ht 50cm. Evergreen.

PHLO FRU 140 30 140 C

**PHOTINIA****Photinia glabra Robusta**

Very strong growing large shrub. Young growths coppery red. Trim in late summer so the new growth is red for the winter.. Hardy.Ht.3m. Evergreen. AGM.

PHOT ROB 175 40 175 C

**Photinia Red Robin**

A very hardy bush with new growths red. Prune in summer for winter red colour. Ht 2.5m. Evergreen.

PHOT RED 175 30 175 C

**PHYGELIUS****Phygelius capensis Yellow Trumpet**

Creamy yellow flowers in late summer. Likes a sheltered moist position. Looks great in a cottage garden. Ht 75cm.

PHYG CAPY 175 35 175 C **Cape Figwort****Physalis****Physalis alk. Gnome****New 17**

A fantastic bright orange and red lanterns flowers that are in flower from late summer into autumn. Ht 20cm

PHYS ALKS 140 30 140 C **Chinese Lantern****PICEA****Spruce****Picea smithiana**

Beautiful conifer with pendulous foliage of long green needles on branches upturned at the tips. Ht 5m. Evergreen.

PICE SMI 175 60 175 C **Western Himalayan Spruce**

**Pieris****Lily of the Valley Bush**

This close relative of the Rhododendron requires the same conditions, and is used in the landscape in the same way. However the panicals of mainly white flowers are very distinct, and very ornamental as is the foliage, especially when in full new growth in the late spring. As with rhodos it is important to deadhead after flowering. I leave this until early November when all fear of frost is over. This delays the vulnerable new growth. To control weeds near the plants, mulch with pea straw/peat and bark mix/pine duff. This feeds the plant and keeps the roots cool and moist.

**Pieris Flaming Silver**

Brilliant red new growths turning green with a silver edge in summer. White flowers in spring. Ht. 1.25m. Evergreen.

**Lily of the Valley Bush**

PIER FLA 175 30 175 C

**Pieris j. Compact Crimson**

One of the best compact Lily of the Valley Shrubs with crimson new growth in spring. Pale pink buds open white in early spring. Ht. 1m. Evergreen.

PIER COM 175 25 175 C

**Pieris Jap. Scarlet O'Hara**

Creamy white flowers flecked red with red stems. The earliest to flower. Young shoot bright scarlet. Ht. 1.5m. Evergreen.

**Lily of the Valley Shrub**

PIER SCA 175 25 175 C

**Pieris japonica Bisbee's Dwarf**

A neat little bush with coloured new growth in spring, for the woodland border. Ht. 50cm. Evergreen.

PIER BIS 175 10 175 C

**Pieris Japonica Forest Flame**

A superb hybrid with brilliant red new growths. Compact grower with white flowers. One of the best. Ht 1.5m. Evergreen.

**Lily of the Valley Bush**

PIER FORF 175 30 175 C

**Pieris japonica Little Heath**

Small white flowers with a pink blush in spring followed by red new growths. Leaves edged creamy white. Compact shrub. Ht. 1m. Evergreen.

**Lily of the Valley Bush**

PIER LIT 175 25 175 C

**Pieris japonica Little Heath Green**

Small white flowers with a pink blush in spring followed by bronze red new growths turning glossy green in summer. Neat compact bush. Ht. 1.5m. Evergreen.

PIER LITG 175 25 175 C

**Pieris japonica Pink Delight**

Compact tidy bush with pink flowers in spring. Ht 1.25m. Evergreen.

**Pink Lily of the Valley Bush**

PIER DEL 175    30    175    C

**Pieris japonica Purity**

Large glistening pure white flowers in spring smother this compact rounded bush. For best effect plant in sheltered semi shaded garden. Ht 1.0 m. Evergreen.

**Red Lily of the Valley Bush**

PIER PUR 175    30    175    C

**Pieris japonica Valley Valentine**

Red winter buds open to rose red flowers in upright pendulous heads covering the plant in early spring . Ht. 1.5m. Evergreen.

**Lily of the Valley Bush**

PIER VALV 175    30    175    C

**Pieris Spring Candy**

**New 17**

Pink new growths in spring. A compact rounded bush. Ideal for a low hedge in shade. NO LIME. Shelter from wind. Ht. 1m. Evergreen.

**Lily Of the Valley Shrub**

PIER SPR 175    25    175    C

**Pieris Summer Wine**

**New 17**

Deep wine red flowers in spring. Compact shrub with new bronze leaves. Height 1m.

**Lily of the Valley**

PIER SUW 175    40    175    C

**Pieris yakushimensis Sarabande**

A very free flowering small shrub for the woodland border. White flowers on a compact bush. Makes a great container plant or edging in formal gardens. Ht 75cm. Evergreen. AGM

**Dwarf Lily of the Valley Bush**

PIER SAR 175 20 175 C

**PITTOSPORUM**

**Pittosporum eugenoides**

A native with dark twigs and glossy green oblong leaves. Hardy. Ht 4m. Evergreen.

**Lemonwood**

PITT EUG 175 50 175 C  
PITT EUG 9L 120 9L C

**Pittosporum ralphii**

Attractive, hardy native. Fairly quick growing. Suitable for shelter on windy sites in sun or shade. Ht 3m. Evergreen.

PITT RAL 6 150 6L C

**Pittosporum T Westland**

**Pittosporum**

PITT WEST 9 140 9L C

**Pittosporum t. Tom Thumb**

Bright purple black leaves all year. A compact tidy bush for the garden or tub. Ht 75cm. Evergreen. AGM - award of garden merit from the Royal Horticultural Society.

PITT TOM 175 30 175 C  
PITT TOM 6 60 6L C

**Pittosporum tenuifolium**

Delightful small tree. Slender shape and pyramidal form. Fragrant flowers. Can be trimmed to any desirable size. Ht 3m. Evergreen. Native.

**Kohuhu**

PITT TEN 175 60 175 C  
PITT TEN 9L 150 9L C

**Pittosporum tenuifolium Little Squirt**

Hardy native with small green leaves on a compact bush. Ht 50cm. Evergreen.

**PITT. TEM ARGENTIA NANA**

PITT LIT 6 30 6L C

**PODOCARPUS**

**Totara**

**Podocarpus alpinus**

Blue green foliage on a wide spreading conifer. Good ground cover or filler. Ht. 1m. Evergreen. Tasmanian.

**(P. lawrenci)**

PODO ALP 175 10 175 C

**Podocarpus alpinus [Jacks Pass]**

Brown form of alpinus. Ht 0.5m

PODO ALPJ 175 25x30 175 C

**Podocarpus Arthurs Pass { Prostrate Totara}**

Found at Arthurs Pass. Excellent hardy ground cover.

**Totara**

PODO ARP 175 90 175 C

**Podocarpus cunninghamii [hallii]**

A smaller growing Totara with the same habit.as the bigger one Can be trimmed.  
Very hardy. Ht. 3m. Evergreen Native.previously [hallii]

		<b>Hall's Totara</b>	
PODO HAL 175	30	175	C
PODO HAL 6	30	6L	C

**Podocarpus dacrydioides (Dacrycarpus dacrydioides)**

White Pine. A tall native for a damp garden. Hardy if in bush conditions. A fine specimen tree. Ht. 5m. Evergreen.

		<b>White Pine or Kahikatea</b>	
PODO DAC 175	120	175	C

**Podocarpus totara**

A tall but slow growing tree. Leaves yellowish-green, stiff and sharply pointed. Trims well. Native. Ht 5m. Evergreen.

		<b>Totara</b>	
PODO TOT 175	110	175	C

**Podocarpus totara Kaihuka Blue**

Cuttings from selected blue tree at Kaihuka by Rodney Mc Donald.

PODO TKB 175	30	175	C
--------------	----	-----	---

**Prumnopitys ferruginea**

A handsome native with yew-like foliage and graceful branches. Very hardy. Ht. 3m.. Evergreen.

		<b>Miro</b>	
PRUM FER 175	25	175	C

**Podophyllum****Podophyllum Kaleidoscope New 16**

Attractive evergreen perennial for a moist shaded garden. Height 1m with deep wine red flowers in late Spring

PODO KALE 6	40	6L	C
-------------	----	----	---

**Podophyllum Spotty Dotty New 16**

Attractive evergreen perennial with spotted foliage ideal in a moist shaded garden. Deep wine red flowers in late Spring. Ht 50cm

PODP SPOT 6	80	6L	C
-------------	----	----	---

**POLEMONIUM****Polemonium caeruleum Filigree Clusters 18**

Exquisite double split leaves - like fern fronds - and clusters of white flowers. Strong stems. Growing to 50cm x 40cm

		<b>Jacob's Ladder</b>	
1 POLE CLO 140	25	140	C

**Polemonium caeruleum Filigree Skies 18**

Exquisite double split leaves - like fern fronds - and clusters of blue flowers. Strong stems. Growing to 50cm x 40cm

1 POLE SKI 140	25	140	C
----------------	----	-----	---

## POTENTILLA

### Potentilla argrophylla Golden Starlit

30cm plant with pure bright golden blossoms, very compact dense habit.

POTE AGO 140	30	175	C
POTE AGO 175	10	175	C

### Potentilla argrophylla Scarlet Starlit

30cm bright pure scarlet red blossoms on compact plant

1 POTE ASC 140	10x25	140	C
----------------	-------	-----	---

### Potentilla Soft yellow

Lovely soft yellow small shrub.

POTE SOY 175	30	175	C
--------------	----	-----	---

## PRIMULA

### Primula capitata Salvana

Rounded heads of tubular lavender-blue flowers in spring. Very attractive powdered silver new foliage. Likes shade. Ht 20cm.

1 PRIM CAPS 140	25	140	C
-----------------	----	-----	---

### Primula denticulata Alba

White globular flowers in early spring on a flat rosette of leaves.

<b>Drumstick Primula</b>			
1 PRIM DENA 140	10	140	C

### Primula denticulata blue

Mixed colours of blue pink and white globular flowers in spring on a flat rosette of leaves.

1 PRIM DEN 140	10	140	C
----------------	----	-----	---

### Primula denticulata Rubin selection

Pink-red globular flowers in spring on a flat rosette of leaves. One of the first flowers to come out.

PRIM DRU 140	25	140	C
--------------	----	-----	---

### Primula flaccida

Powders blue flowers on stems about 15cm long with wonderful scent.

1 PRIM FLA 140	25	140	C
----------------	----	-----	---

### Primula jap. Appleblossom **New 17**

Bright light pink flowers in spring. Plant in a shaded moist garden. Hardy. Ht. 50cm.

1 PRIM JAPAP 140	25	140	C
------------------	----	-----	---

**Primula jap. Millers Crimson**

Red/Crimson flowers in spring. Plant in a shaded moist garden. Hardy. Ht. 50cm.

**Japanese Primrose**

1 PRIM JAPM 140 25 140 C

**Primula japonica Alba**

Bright pink to white flowers in spring. Plant in a shaded moist garden. Hardy. Ht. 50cm.

PRIM JAPA 140 25 140 C

**Primula vialii**

Found by the Scottish plant hunter George Forrest (1873-1932), Red-tipped pyramids of pink rise above the deep green foliage of this sticking perennial. Ht 25cm

PRIM VIA 140 25 140 C

**Primula vulgaris**

Heads of dusty lemon flowers in spring. Plant in a shaded damp but well drained garden. Ht. 20cm.

PRIM VUL 140 10 140 C

**Primula x pubescens**

A low-growing, evergreen perennial grown for its bright, powder pink, red to burgundy flowers held on straight stems in spring. Best grown in shade.

PRIM PUB 140 25 140 C

**Primula x pubescens Exhibition Rot**

Early Spring Flowering. Full sun in cool summer climates to semi-shade. A new Auricula-Strain. Ht 25cm

PRIM PUBE 140 10 175 C

**Primula x pubescens Kaleidoscope**

Bright mix of colours including yellow red blue and cream white. Large flowers form in late winter and continue to flower through spring. Ht 20cm

1 PRIM PUBK 140 25 140 C

**Auricula****PRUMNOPITYS****Prumnopitys taxifolia**

Tall native tree used for timber. A handsome specimen when older. HT. 4m. Evergreen. Black Pine

PRUM TAX 175 40 175 C

**Matai****PRUNUS**

Perfect drainage is always demanded by these hardy shrubs.

**Prunus laurocerasus**

Large evergreen shrub with dark green glossy leaves. Very hardy.

**Cherry Laurel or Common Laurel**

PRUN LAU 175 35 175 C

**Prunus lusitanica**

Large evergreen shrub with dark green glossy leaves. Very hardy. Cream flowers.

PRUN LUS 175 40 175 Pi

**Portugal Laurel**

PRUN LUS STD STD 9L C

**PSEUDOPANAX****Pseudopanax crassifolius**

Juvenile stage could last up to 15 years, then develops a rounded bushy head. Good tub plant. Native. Ht 5m. Evergreen.

PSEU CRA 175 90 175 C

**Lancewood****Pseudopanax ferox**

Serrated leaves with a bronze colour. Slow growing. Hardy in bush garden. Ht. 3m.

PSEU FER 175 40 175 Pi

**Savage Lancewood****PSEUDOWINTERA****Pseudowintera c. Red Glow**

Leaves turn red in the winter, green in summer. Likes shade. Ht. 1.5m. Evergreen native.

PSEW GLO 175 25 175 C

**Pepper Tree****Pseudowintera co. Lime Light New 17**

Lovely form with lime green leaves forming a dome to about 1m tall.

PSEU LIML 175 30 175 C

PSEW LIML 6 80 6L C

**Pseudowintera colorata Red Leopard PVR SHM08**

Medium sized native shrub with unusual colour and aromatic leaves marked red. Grows best in light woodland conditions. Ht 75cm-1m. Evergreen. PVR SHM086

**Red Pepper Tree**

PSEW RED 175	30	175	Pi
PSEW RED 6	40	6L	C

**Pseudowintera colorata**

Yellow greenish leaves blotched with reddish colours. NZ native. Ht 2m. Evergreen.

**Pepper Tree**

PSEW COL 175	50	175	C
--------------	----	-----	---

**Pseudowintera colorata Burgundy Delight**

Aromatic green foliage, lime yellow in spring and then blotched red and deep plum purple through winter. A native for any garden. Ht 1m. Evergreen

**Pulsatilla vulgaris Alba**

Creamy white flowers in spring followed by fluffy seed heads in summer. Plant in moist soil.

**White Pasque flower**

PULS VULA 175	10	175	C
---------------	----	-----	---

**Pulsatilla vulgaris 'Pagageno'**

30cm fringed to semi double flowers pure white to cream, pink to red, and light blue to violet colour, s young plants often single.

**Pasque Plant**

1 PULS VPA 140	10	140	C
----------------	----	-----	---

**Pulsatilla vulgaris Red Bells**

Bright red flowers on a compact perennial in summer. Best grown in a sunny site.

**Red Pasque flower**

PULS REBS 140	20	140	C
---------------	----	-----	---

**Pulsatilla vulgaris Violet Bells**

Lovely plant growing to 30cm with dark violet flowers

**Pasque Flower**

1 PULS VUVB 140	10	140	C
-----------------	----	-----	---

**QUERCUS**

**Oak**

**Quercus cerris**

One of the toughest oaks. The small acorns are ideal for wildlife food. Fast growing tree with lobed leaves. Excellent on chalky soils and the coast. Ht. 6m. Deciduous.

**Turkey Oak**

QUER CER 25	150	25L	C
QUER CER 9	120	9L	C

**Quercus ellipsoidalis**

A medium tree with a short trunk and wide spreading head. Deeply lobed leaves turn crimson in autumn. Ht. 5m. Deciduous.

QUER ELL 25	180	25L	C
-------------	-----	-----	---

**Quercus palustris**

Glossy green leaves turning bright red in autumn. Handsome specimen tree. Ht. 5m. Deciduous.

**Pin Oak**

QUER PAL 25	120	25L	C
-------------	-----	-----	---

**Quercus robur**

A large long lived tree developing a broad head with rugged branches. Ht 6m. Deciduous.

QUER ROB 25

**English Oak**

120 25L C

**Quercus robur Fastigiata**

An upright grower, making an imposing specimen. Hardy. Holds its leaves well into the winter. Ht. 6m. Deciduous.

QUER FAS 6

**Cypress Oak**

50 6L C

**RASPBERRY**

**Raspberry Taylor**

The best tasting. Heavy producer of large conical, light red fruit. Hardy, vigorous.

RASP TAY 175

80

**Raspberry**

175 C

**Raspberry Waimo Wonder**

Nice red berries in Summer. Prune after fruiting.

RASP WAI 175

60

175 C

**Rhododendron**

Rhododendrons are indispensable for spring colour in any garden. There is a huge range of colours, sizes and shapes to choose from. They all prefer an acid free draining organic moist soil. In a position sheltered from the worst wind and hottest sun. I find they do best in a mixed boarder with a few trees dotted through e.g.. Maples magnolias, apples or dogwoods which contrast nicely.

**Rhodo Albert Schweitzer**

A large shrub of upright habit with large conical trusses of rose-Bengal flowers with a deeper red blotch in Nov. Ht 1.5m

RHOD ALBS OG

40

250 C

**Rhodo Amity**

Rose opal to red flowers in Oct. A compact bushy plant with nice silver grey new growth. Ht. 1m. Evergreen

**([Groselaude x Britannia] x yak)**

RHOD AMI 175	25	175	C
RHOD AMI OG	20	250	C

**Rhodo Anka Heinje**

Splendid red buds open to rosy pink flowers which are sprinkled with golden markings. Beige indumentum coats the undersides of the leaves. Ht 1m.

**YAK FCC X AMERICA**

RHOD ANK 175	25	175	C
--------------	----	-----	---

## TERMS OF TRADE

This catalogue cancels all previous catalogues.

**“Freight Free in Store” south island wide on orders over \$500.00 (Excluding GST) paid by the 20<sup>th</sup> of the month following delivery. All other orders will have freight charged at cost.**

**5% discount will apply on orders dispatched during the months of April, May, June, and July for consignments over \$500.00 and paid by the 20<sup>th</sup> of the month following delivery.**

GST is extra, and prices are subject to alteration without notice.

Minimum quantity supplied in any one variety is 3 plants. Orders of less than minimum numbers per variety will be charged at a premium rate of 50 cents extra per plant.

Most plants are ready for dispatch in April. Orders placed will be supplied on a first come first served basis subject to shortages caused by conditions beyond our control.

Payment for plants supplied shall be due and payable on the 20th of the month following delivery.

A late penalty payment at the rate of 2% per month shall accrue on any amount outstanding from the due date until the date of payment. All costs incurred in the collection on any outstanding accounts shall be payable by the account holder.

All plants supplied shall remain the property of Blue Mountain Nurseries until payment for the entire order is made in full (including GST, any freight charge and collection costs).

Blue Mountain Nurseries take care to have all plants sold by them to be true to name and description, to the best of their knowledge, but any express or implied condition, statement or warranty, arising by statute or common law or otherwise, as to growth, description, quality or productiveness, is hereby excluded and Blue Mountain Nurseries will not undertake to replace failures or be responsible for the plants supplied.

Blue Mountain Nurseries shall not be liable for any loss, damage or deterioration to the goods during delivery to the purchaser that causes loss or damage to the purchaser. Any goods damaged during delivery must be notified to the last carrier immediately and to Blue Mountain Nurseries within 5 working days of the goods arrival for a credit to be given.

Blue Mountain Nurseries shall not be liable for any loss caused by late delivery of the plants because of crop failure, disease, Government or local authority regulation or order, Act of God, or Negligence of the Supplier and its servants.
