Leucothoe f. Crimson Globe

Shrub & Rhododendron Catalogue 2016

Dear Clients & Friends

Happy New Year! Welcome to our 84th catalogue. We have done our catalogue on CD once again. When you put the CD into your computer you will see both a black and white and colour catalogue available as pdf files. You will require a computer with a pdf reader installed (most will already have this) such as "Adobe" (<http://get.adobe.com/reader/>) that can be downloaded from the web for free. If you have any problems with viewing the catalogue let us know so we can make other arrangements for you to access the catalogue.

We are always introducing a number of new varieties that are very popular and sell out quickly. We have more of these available this year, so order early so as to not miss out. We are always adding to our range from New Zealand and overseas.

Some of the interesting lines from this year's catalogue come from a wide range of plants including perennials, shrubs and trees. This shows the wide range of plants that we enjoy growing for you and your customers.

The perennials that I want to highlight include Astilbes - these have been popular this year and the dwarf form showstar has put on a great display of colour in the nursery this year. Bella is a bit shorter growing to 50cm and grows well in a damper area. Bergenia winterglow puts on masses of colourful leaves from late summer into the winter. The perennial Clematis integrifolia have lots of dainty blue flowers on a small mound of lime green leaves in late spring. The Dowdeswell delphiniums have put on a great display over the summer and they have sold very well. These stunning colours have been bred in NZ by Terry Dowdeswell and exported to the world. Another less common perennial is the Incarvillea both Alba and the Pink Bees form; commonly known as Pride of China. They put on a great display in late spring and into early summer. We have several forms of Iris available including the dwarf pumila with short showy flowers in pastel shades of pink to blue. The Meconopsis are stunning when they flower with glowing blue flowers coming from the Himalayan area gives them the name of Himalayan blue poppy. A plant that is very rare and most exciting is the Podophyllum Kaleidoscope and

Spotty Dotty or Mayapple. These have large leaves with distinctive dark spots on the upper surface. They have deep burgundy red flowers that hang under the leaves in late spring and early summer. It grows best in a shaded area similar to where hostas grow.

A selection of our trees and shrubs that are looking great this year include the Acer rubrum Brandywine that has fantastic wine red autumn colour. Cornus Greenvale is becoming widely used by gardeners and landscapers. It flowers with large cream white flowers from mid spring to early summer and forms a bushy small tree to about 4m. We have a great range of Eucryphia available this year and these make a great summer show in a woodland garden with their scented cream white flowers. We have reintroduced the double flowered Oak leaved Hydrangea called quercifolia Snowflake. This plant forms a mound of cream flowers that ages to antique pink as the summer progresses. During the autumn the leaves turn deep red to burgundy colours holding on well into the winter. Another new plant from our breeding program is Leucothoe Crimson Globe. As the name suggests it forms a small rounded shrub of crimson wine red leaves during summer and becoming deeper red during the winter. It can be grown in both shade and sunny gardens but will grow faster in the shade. If you grow in a sunny site its soil must be kept damp. We have propagated a wide range of Syringas (Lilacs) so have a good look through the selection as these have become very popular due to their scented flowers.

Rhododendrons have always been popular and with the redevelopment of gardens in Christchurch they have been selling very well. This year we have a great selection of the alpine types such as fastigiatum Blue Steel with its small leaves and masses of blue flowers in early spring. A New Zealand hybrid is High Society with fantastic silver candles of new growth and a neat compact habit. We have limited number of Loderii Rhodo's available this year. They have highly scented large flowers that make a great display in a woodland setting. Another yellow that is particularly stunning is Honey Butter with dark green leaves and robust habit it is one of the best yellows.

Our 2016 crops of Rhododendrons are looking great having already made one flush of growth and some starting on their second flush, making a bushy well rounded plant. Most varieties are forming flower buds beautifully and will be ready for lifting and potting from March - April. We anticipate having some plants available from mid April with others coming on stream in May. We have included a selection guide for the Rhododendrons showing their colour, height and

flowering times. We are also very happy to put together a range that will suit your area and growing conditions -all you need to do is give us an idea of numbers. Again, some varieties listed are in short supply so I encourage you to order and take receipt of your order early as all orders will be supplied on a first in basis.

All our prices are freight free **on orders over \$500.00 (excluding GST) paid by the 20th of the month following deliver**. This works well for our customers as they know exactly how much their plants will cost.

Also to help our well organized, loyal indent customers, we are offering a **5% discount on orders dispatched during the months of April, May, June, and July for consignments over \$500.00 and paid by the 20th of the month following delivery**. In the past this has encouraged customers to have stock earlier and many have sold these plants and needed more stock. It also spreads our dispatch load making the spring dispatch more manageable.

We grow an exciting and wide range of plants but we don't grow all of these in wholesale numbers. We encourage you to draw on our stocks of these lines to fill your retail orders and to take advantage of our special discount during the months of April, May, June and July.

If you have any questions, would like to know about availability or require information about a particular variety please feel free to contact us.

Have a look at our new website at www.bmn.co.nz . The password to get wholesale pricing is tree14 simply click on login at the top right hand side of the home page and then click on "are you a Wholesaler" and enter the password. Our Indent list is also available on the website.

Kind regards from the Blue Mountain Team

Denis, Chris and Rebecca Hughes

TERMS OF TRADE

This catalogue cancels all previous catalogues.

“Freight Free in Store” south island wide on orders over \$500.00 (Excluding GST) paid by the 20th of the month following delivery. All other orders will have freight charged at cost.

5% discount will apply on orders dispatched during the months of April, May, June, and July for consignments over \$500.00 and paid by the 20th of the month following delivery.

GST is extra, and prices are subject to alteration without notice.

Minimum quantity supplied in any one variety is 3 plants. Orders of less than minimum numbers per variety will be charged at a premium rate of 50 cents extra per plant.

Most plants are ready for dispatch in April. Orders placed will be supplied on a first come first served basis subject to shortages caused by conditions beyond our control.

Payment for plants supplied shall be due and payable on the 20th of the month following delivery.

A late penalty payment at the rate of 2% per month shall accrue on any amount outstanding from the due date until the date of payment. All costs incurred in the collection on any outstanding accounts shall be payable by the account holder.

All plants supplied shall remain the property of Blue Mountain Nurseries until payment for the entire order is made in full (including GST, any freight charge and collection costs).

Blue Mountain Nurseries take care to have all plants sold by them to be true to name and description, to the best of their knowledge, but any express or implied condition, statement or warranty, arising by statute or common law or otherwise, as to growth, description, quality or productiveness, is hereby excluded and Blue Mountain Nurseries will not undertake to replace failures or be responsible for the plants supplied.

Blue Mountain Nurseries shall not be liable for any loss, damage or deterioration to the goods during delivery to the purchaser that causes loss or damage to the purchaser. Any goods damaged during delivery must be notified to the last carrier immediately and to Blue Mountain Nurseries within 5 working days of the goods arrival for a credit to be given.

Blue Mountain Nurseries shall not be liable for any loss caused by late delivery of the plants because of crop failure, disease, Government or local authority regulation or order, Act of God, or Negligence of the Supplier and its servants.

Alchemilla erythropoda

A yellow flowering perennial native to Eastern Europe. It forms a clump of hairy, leaves up to 15 centimetres high, with masses of yellow flowers in early summer. Grows well in a sunny position. Great for pots and borders.

		dwarf lady's mantle	
ALCH ERY 140	25	140	C

ALNUS**Alnus glutinosa Imperialis**

Attractive variety of Alder with deeply and finely cut leaves. Suitable for very wet sites. Ht 4m. Deciduous.

ALNU IMP 175 45 175 C

Alnus rubra

Red stems in winter. Green leaves in summer turning yellow in autumn. Hardy. Will stand wet. Ht. 3m. Deciduous.

ALNU RUB 6 140 6 C **Red Alder**

ANEMONE**Anemone blanda**

Masses of mid to deep blue flowers cover this low growing perennial in late winter and early spring. Native to southeastern Europe, Turkey, Lebanon, and Syria. Grows best in part shade. Ht 15cm

ANEM BLA 140 10 140 C

Anemone multifida Major

Butter yellow flowers form above neat rounded clump of dark foliage. Flowers in early spring on stems that sit above the mounding foliage. Grows best in part shade for sun. Ht 30cm

ANEM MULM 140 140 C **Wild flower**

Anemone multifida Megellanica

Yellow flowers form above neat rounded clump of dark foliage. Flowers in early spring on stems that sit above the mounding foliage. Grows best in part shade for sun. Ht 30cm

ANEM MULME 120 15 120 C **Yellow wild flower**

Anemone multifida Rubra

Deep pink flowers form above neat rounded clump of dark foliage. Flowers in early spring on stems that sit above the mounding foliage. Grows best in part shade for sun. Ht 30cm

ANEM MULR 140 40 140 C **Pink wild flower**

Anemone sylvestris

Masses of White flowers in stems 30cm long during spring and early summer. An native of eastern Europe.

ANEM SYL 140 25 140 C

ANOPTERUS**Anopterus glandulosus**

A rare Tasmanian shrub with beautiful white flowers in spring. Plant in shade. Ht. 1m. Evergreen.

ANOP GLA 175 30 175 C

AQUILEGIA**Granny's Bonnet****Aquilegia caerulea hybr 'Red Hobbit'**

Lovely compact form, red flowers with white corolla height 35cm

AQUI REH 140 30 140 C

Aquilegia can. Pink Lanterns

A compact plant to 30cm with pink and light yellow colours. Best grown in a sunny site.

AQUI PIN 140 5 140 C

Aquilegia fl. Pumila f. Alba

A dwarf mound with white flowers in spring and summer and grey-green foliage. Perfect for the rock garden. Ht 25cm

1 AQUI PUMA 140 25 140 C
AQUI PUMA 140 25 140 C

Aquilegia fl. Pumila selection

A rounded clump forming plant, bright blue flowers with white nectary spurs. Ht 20cm

AQUI PUM 140 10 140 C

ARABIS

Arabis cau. Pixie Cream

Forms a dome of gray green foliage with cream yellow flowers rising above the plant to put a display in spring and early summer. There are so many flowers it covers the entire plant. Grows best in a sunny well drained site. Ht 15cm

ARAB PIX 140 25 120 C

Wall Cress

ARAUJIA

Araucaria bidwellii

The bunya pine, is a large evergreen coniferous tree growing to 10m. Grows in rain forest of Queensland. The name honours the botanist John Carne Bidwill.

ARAU BID 175 35 175 C

ARBUTUS

Arbutus x Andrachoides

Beautiful cinnamon red branches and white flowers in spring.

ARBU AND 175 40 175 C

ARCTOSTAPHYLOS

Bear Berry

Arctostaphylos nevadensis Woods Red

Attractive pink and white urn shaped flowers in summer. Hardy ground cover. Evergreen.

1 ARCT RED 175 10x30 175 C

Bear Berry

Arenaria

Arabis b. Red Sensation

Forms a mat of green with deep pink to red flowers rising above the plant to put a display in spring and early summer. Grows best in a sunny well drained site. A native of California. Ht 15cm

ARAB RED 140 15 140 C

Arenaria montana[Avalanche Snowflake]

Small plant growing up to 10cm with large white flowers, good ground cover.

AREN MSN 120 10x25 120 C

ARMERIA

Armeria Morning Star (Deep Rose)

Deep rose pink flowers cover this small perennial all summer. Great for a sunny position. Ht 15cm

Goatsbeard

10 140 C

ASTELIA**Astelia chathamica**

Silver green leaves with a metallic sheen. Spring flowers of white and followed by
orange berries on female plants. Ht 1m.

Chatham Island Astelia

ASTE CHA 175 30 175 C

Astelia fragrans Westland

Red brown foliage all year on a flax like clump for a semi shaded damp garden.
Ht.1m. Evergreen. Native.

1 ASTE WES 175 35 175 C

Astelia nervosa

Small flax-like native for a moist garden. Attractive grey and bronze foliage. Ht.
50cm. Evergreen.

1 ASTE NEV 175 25 175 P

ASTILBE**Astilbe arendsii Showstar**

A dwarf perennial with dark green divided leaves which are bronze when young.
Flowers are red, pink or white in summer.

ASTI SHO 140 30 140 C

Astilbe Bella

Flowers are a bright mix of pink, rose and yellow shades with bright green foliage.
Ht 50cm

ASTI BELL 140 30 140 C

ATHEROSPERMA**Atherosperma moschatum**

Small Tasmanian tree, with fragrant cream flowers in summer. Ht 4m. Evergreen.

Black Sassafras

1 ATHE MOS 175 50 175 C

AUCUBA**Aucuba japonica Mrs Green**

Shade loving shrub grows to 2m high this form is a seedling from B M N bearing
good crops of wax red fruits.

AUCU MRSG 175 30 175 C

Azalea**Deciduous Azalea**

These tough hardy deciduous Rhododendrons produce spectacular usually highly scented flowers in spring to early summer. In autumn they also make a fine display with their autumn foliage. They are indispensable for punctuating the seasons in a good garden. For best performance plant in an organic free draining acid soil. Blue Mountain Nurseries is famous for developing many of the double azaleas available with Denis working on more all the time.

Azalea Caroline de Rothschild

Large frilly pink and cream flowers in November. Fragrant. Ht. 1.5m. Deciduous. (Blue Mountain)

**Blue Mountain Double Azalea**

AZAL CARO OG 50 250 P

Azalea Cecile

Large bright pink flowers with an orange flare. Ht. 1.5m. Flowers Oct. Deciduous. (Exbury)

AZAL CEC OG 45 250 C

Azalea Dorothy Corston

Deep orange red flowers on a compact bush in Nov. Ht. 1m. Deciduous. (Knaphill)

AZAL DOR OG 45 250 C

Azalea Gibraltar

Deep orange red flowers in Nov. A compact upright bush to 1.5m. Deciduous. (Exbury)

AZAL GIB OG 40 250 C

Azalea Ginger**New 08**

Flowers orange-carmine in bud, opening to a brilliant orange with warm golden upper petal. Ht 1.25m (Exbury)

AZAL GIN OG 35 250 C

Azalea Golden Eagle

Bright orange flowers in November. Ht. 1.5m. Deciduous. (Knaphill)

AZAL GOLEG OG 45 250 C

Azalea Golden Sunset

Bright orange flowers in November. A bushy shrub. Ht. 1.5m. Deciduous. (Knaphill)

AZAL GOLS OG 45 250 C

Azalea Melford Ball

(Ilam) - large, golden yellow flowers, nice ball trusses

AZAL MBAL OG 45 250 C

Azalea Midas

Large deep golden flowers (double) in spring Ht 1m Deciduous

Blue Mt Double Azalea
AZAL MIDA OG 45 250 C

Azalea Nicholas de Rothschild

Orange-red buds open to a compact head of double yellow flowers, turning pink as they mature in Nov. Ht. 1.5m. Deciduous. (Blue Mountain)

Blue Mountain Double Azalea

AZAL NIC OG 80 250 C

Azalea occidentale Delicatissima

Highly scented pink flowers in spring. Plant in sheltered position away from wind. Ht 1.5m. Deciduous.

AZAL DEL OG 50 250 C

Azalea Rose Queen

Dainty double pink flowers in spring. NO LIME. Likes shelter. Ht. 50cm.

Evergreen Azalea
AZAL ROQ 175 175 C

Azalea Ward's Ruby

Deep ruby red flowers in spring. Evergreen ruby red foliage in winter. Ht 60cm.

AZAL WARDRU 17 30 175 C

AZARA

Azara microphylla

Upright tree of green foliage and chocolate scented flowers in summer. Ht 3m. Evergreen.

Vanilla Tree
1 AZAR MIC 175 70 175 C
AZAR MIC 6 100 6 C

Azara microphylla Variegata

Upright tree of green and cream foliage with scented flowers in summer. Ht 3m. Evergreen.

AZAR VAR 175 50 175 C

BAUERA**Bauera ruboides Alba**

A very worthwhile shrub with small white flowers all summer. Plant in a sunny position. NO LIME. Ht 60cm. Evergreen.

Tasmanian Heath

1 BAUE ALB 175 30 175 C

BERBERIS**Berberis Little Favourite**

Bright purple red foliage and autumn colour. Very hardy. Ht 80cm. Deciduous.

Purple Dwarf Barbary

1 BERB FAV 175 25 175 C

Berberis t. Rosy Glow

The new shoots are multicoloured purple, rose, and pink. A very striking small shrub. Very hardy. Ht 80cm. Deciduous.

1 BERB ROS 175 30 175 C

**Berberis thunbergii Helmond Pillar**

Tall upright form making a column of purple. A great plant for a formal entrance way. Ht 1.5m

1 BERB HELP 175 70 175 C

Berberis thunbergii Aurea

Bright yellow leaves in spring fading to lime green in summer. Best in shade. Hardy. Ht 40cm. Deciduous.

Golden Barbary

1 BERB AUR 175 35 175 C

Berberis thunbergii Pink Queen

A very hardy shrub with young leaves purple in spring, pink in summer. Ht 1.5m. Deciduous.

Pink Barbary

1 BERB QUE 175 40 175 C

**Berberis x ottawensis Superba**

Red purple foliage all summer turning red in autumn. Very hardy. Prune in spring. Ht. 1.5m. Deciduous.

Purple Barbary

1 BERB OTTS 175 30 175 C

BERGENIA**Bergenia cordifolia**

Large heart-shaped leaves, green in summer, and purple in winter. Sprays of rose pink flowers in spring. Ht 25cm.

1 BERG COR 175 30 175 C **Elephant's Ear**

Bergenia cordifolia Winterglow

Deep red flowers and red leaves during the winter. Great mass planted under trees. Ht 45cm

BERG WINT 140 10 140 C

Bergenia crassifolia

Large, green, leathery glossy leaves with red margins forming a clump. Rose-pink flowers among the foliage in mid-winter through early spring. Best when grown in light shade or a cool sunny site. Ht 50cm

BERG CRA 140 15 140 C **Elephant's Ear**
BERG CRA 175 25 175 C

BETULA**Birch**

Indispensable, easy to grow trees. Very tough and hardy, making specimens very quickly. As trees go, they are quite short lived, having a life span about the same length as humans. Great for shade, shelter, autumn colour, ornamental trunks, dainty weeping foliage and some with coloured foliage. When senescence is reached they make very ornamental wood piles, before burning very brightly on the winter fire.

Betula nigra Heritage

A vigorous tree with peeling light brown to creamy bark and dark glossy green leaves. Ht 4m.

BETU HER 6 120 6 C **RIVER BIRCH**

Betula pendula Lacineata

Cut Leaf Birch. Attractive all year round. Tall slim yellow autumn colour. Ht 4m. Deciduous

BETU LAC 6 140 6 C **Swedish Birch**

Betula pendula Tristis

Tree of moderate size with bright yellow autumn colour. Lovely white trunk, with dainty weeping branches. Hardy. Ht. 5m. Deciduous.

BETU TRI 6 100 6 C **Silver Birch**

BUXUS

Box

Buxus sempervirens Notata

This is the main form planted for excellent edging box. The most frequently used Box for hedging since its introduction to NZ by the missionaries in 1830. Ht 75cm. Evergreen.

BUXU NOT 007

Hedging Box

10 7 C

Buxus sempervirens Suffruticosa

Dense mass of small dark green leaves bronzing in winter. Used for small formal hedges. Ht.50cm. Evergreen.

BUXU SUF 007

Edging Box

10 7 C

Calamintha**Calamintha nepeta Blue Cloud**

Bright light blue flowers on a compact flowering perennial that flowers over a long period. Ht 30cm

CALA NEPB 140

30

140 C

CALLUNA**Calluna Apple Blossom**

Pink double flowers in Summer.

CALL APB 140

25

140 C

CALYCANTHUS**Calycanthus Hartlage Wine New 13**

A beautiful fast growing plant with large glossy green leaves, covered with many burgundy-red flowers. Ht about 2m.

CALY HAW 6

40

6 C

Calycanthus Venus

Bushy shrub with long, deep green glossy leaves. Striking white flowers with burgundy centres.

CALY VEN 6

40

6 C

Sinocalycanthus chinensis

Hardy bushy shrub with pure white flowers in summer and an allspice scent. Ht. 1.5m Deciduous. Plant in semi-shade. Butter yellow autumn colours.

SINO CHI 6

110

6 C

CAMPANULA**Campanula poscharskyana**

Compact lilac blue flowers on a vigorous plant to 20cm

CAMP POSC 140

20

140 C

Campanula rot. Thumbell Blue

Compact violet blue bell like flowers cover this perennial during summer. Ht 25cm

CAMP ROTT 120

25

120 C

CAREX

Carex buchananii

Graceful mountain grass with reddish tones.
Flowers December to January. Hardy.
Evergreen. Ht 75cm.

CARE BUC 140 50 140 C **Native Grass**

CARMICHAELIA

Carmichaelia hybrid

Grey green stems and no leaves make this an interesting native. Clusters of lavender pea shaded flowers put on an amazing display during summer. Plant in a sunny site. Ht 1.5m.

CARM HYB 6 100 6 C

Carmichaelia odorata

A spreading much branched native. Grows in very hard conditions. Small scented flowers are formed along the branches in summer. Ht 2m. Evergreen.

CARM ODO 175 70 175 C

CARNATION

Carnation Otaki Pink

Delightfully scented pink flowers in summer. Excellent cut flower. Ht. 50cm. Evergreen.

CARN OTA 140 25 140 C

CARPINUS

Hornbeam

Carpinus betulus

A medium tree with grey fluted trunk and oval ribbed leaves. This hardy tree retains its brown leaves over winter when young. Great for hedges and pleaching. Ht 5m. Deciduous.

CARP BET 6 6 C **Common Hornbeam**

CARPODETUS

Carpodetus serratus

Dark green leaves with light marbling on surface. Masses of small white flowers cover tree. Very hardy and reasonably quick growing. Ht 4m. Evergreen.

1 CARPO SER 175 40 175 C **Marble Leaf**

CEANOTHUS

Californian Lilac

Ceanothus Blue Mound

Compact spreading bush with masses of blue flowers in summer. Clip after flowering. Plant in sun. A superb hardy ground cover. The smallest Californian Lilac I know. Ht 0.5m x 1m wide. Evergreen.

CEAN BLU 175 10x25 175 C **Californian Lilac**

Ceanothus Julia Phelps

A compact shrub with deep blue flowers in early summer. Small deep green leaves. Plant in sun. Ht 1m. Evergreen.

1 CEAN JUL 175 40 175 C

**Ceanothus papillosus Roweanus**

A rounded dense bush with dark blue flowers. Good for bees. Fast growing. Ht 2m. Evergreen.

1 CEAN ROW 175 50 175 C

Californian lilac**CHAENOMELES**

Japonica or Japanese Ornamental Quince

Chaenomeles Chochuragaki

Large double salmon-orange flowers in early spring. Vigorous. Ht. 1.5m. Will grow against a wall.

1 CHAE CHO 175 40 175 C

JAPONICA**Chaenomeles Mrs Murphy's Red**

Dark red flowers in late winter. Very hardy. Prune after flowering. Ht 2m Deciduous

CHAE MUR 175 40 175 C

CHAMAECYPARIS**Cham. law. Forsteckensis**

Small, slow-growing conifer with dense grey-blue foliage. Hardy. Ht 1m. Evergreen.

1 CHAM LFO 175 30 175 C

Cham. law. Minima

A delightful rounded bush of compact green fans of foliage. Good rock garden or terrace plant. Ht. 60cm. Evergreen conifer.

1 CHAM LMI 175 25 175 C

Cham. o. Nana Lutea

A very striking conifer of bright gold. Upright growing. A gem for the rock garden. Ht. 75cm. Evergreen.

1 CHAM OLU 175 10X15 175 C

Cham. Obtusa 'Spiralis'

a dwarf ascending bush with attractive twisted branchlets resembling nana as a young plant

1 CHAM OBS 175 30 175 C

Cham. p Filifera

The trailing threadlike foliage creates an attractive weeping bun shaped plant. Ht 1m. Evergreen. Conifer.

1 CHAM PFI 175 30 175 C

Cham. pisifera Boulevard

Dense feathery glaucous blue conifer in pyramidal shape. Outstanding colour and form. Ht 2m. Evergreen.

1 CHAM PBO 175 30 175 C

Chamaecyparis Tharandtensis Caesia

Dwarf to medium size bush of globular habit when young, broadly conical and sometimes flat topped when older, branches short, foliage glaucous, in dense curly moss like sprays.

1 CHAM THC 175 30 175 C

CHIMONANTHUS**Chimonanthus praecox**

Sweetly scented cream flowers with a wine centre in winter. Shelter from wind for best growth. Ht. 2m. Deciduous.

CHIM PRA 175 30 175 C **Winter Sweet**

CHOISYA**Choisya Aztec Pearl**

Pink buds open white with narrow leaves on a compact bush of green. Ht 1.5m. Evergreen.

CHOI AZT 175 30 175 C

Choisya ternata

White flowers in summer on a compact bright green bush. Ht 1-1.25m. Evergreen.

CHOI TER 175 60 175 C **Mexican Orange Blossom**

**Choisya ternata Sundance**

A very neat compact shrub with golden foliage. In spring the bush is covered in white orange blossom-like scented flowers. Ht 1.5m. Evergreen.

1 CHOI SUN 175 40 175 C

**CHRYSANTHEMUM****Chrysanthemum c. Robinson Red**

Hardy perennial lovely red flowers grows to 90cm

CHRY COCR 140 40 140 C

CHRY COCR 175 40 175 C

Chrysanthemum coc. Super Duplex

Daisies in a super mix of white, pink, dark red with both single and double flowers. Easy to grow. Can be used as cutflower and attracts butterflies as well. Ht 70cm

CHRY SUP175 40 175 C

CISTUS**Sunrose****Cistus Brilliancy**

Very hardy shrub with bright pink flowers in summer. Will stand dry conditions. Ht 1.5m. Evergreen.

1 CIST BRI 175 30 175 C

Sun Rose**Cistus skanbergii**

Soft pink flowers on a small compact bush all summer. Very hardy and easily grown. Prune after flowering. Ht. 75cm. Evergreen.

1 CIST SKA 175 30 175 C

Cistus x aguilarii Maculatus

Large white flowers with a crimson spot at the base in summer. Likes a sunny garden. Ht. 1.5m. Evergreen.

1 CIST MAC 175 175 C

CLEMATIS**Clematis alpina**

Delightful nodding blue flowers in spring and autumn. Very attractive. Hardy. Ht. 2m. Deciduous.

CLEM ALP 175 90 175 C

Clematis forsteri

Delightfully scented creamy yellow flowers. Evergreen. Native.

1 CLEM FOR 175 45 175 C

**Clematis heracleifolia**

Perennial Clematis. Small lavender flowers in summer. Clump forming but still needs some support. Likes well drained soils and sun. Ht. 1m. Deciduous.

CLEM HER 140 30 175 C

Clematis integrifolia Blue Ribbons

A dwarf form that has large deep blue flowers that look out at you from the bushy plant. Ht 75cm

CLEM INTBR 140 30 140 C

Clematis integrifolia Mongolian Bells

Flowers are pink through to blue on a bushy plant. Flowers in from late spring throughout summer H1m

CLEM INTM 140 25 140 C
CLEM INTM 175 30 175 C

ENKIANTHUS

Enkianthus campanulatus var sikokianus

A new form of this handsome ericaceous shrub. The brick red Lily of the Valley flowers are produced in spring, while the brilliant orange-red autumn colours are excellent.

ENKI COSI 175 70 175 C

ERICA

Heath

The evergreen heaths are very hardy, dwarf shrubs ideal for that exposed site with acid organic soils. (Peat/composted pine bark/pine duff are ideal for this) Most of the forms on offer make colourful displays over winter to very early spring.

Erica carnea Springwood White

Flat growing excellent groundcover Heath with pearly white flowers in winter. Hardy. NO LIME. Ht 20cm. Evergreen.

ERIC SPR 140 10 140 C

Erica cinerea Golden Drop

Excellent for foliage effect. Rusty red in winter. Masses of rosy purple bells in summer. Extremely hardy, will grow anywhere. Ht 30cm. Evergreen.

1 ERIC DRO 140 10 140 C

Erica vagans Alba

White flowers in summer on a rounded hardy bush. Prune after flowering. Ht. 50cm. Evergreen.

ERIC VALB 140 10 140 C

White Cornish Heath

Erica vagans Diana Hornibrook

Bright pink heads of flowers in summer. Very hardy. NO LIME. Ht. 50cm. Evergreen.

ERIC VDIA 140 10 140 C

Erica vagans St Keverne

Soft pink flowers all summer. Plant in a open sunny garden. NO LIME. Ht 50cm. Evergreen.

ERIC VSTK 140 15 140 C

Erica x darleyensis A T Johnson

Bright mauve pink flowers in very long spikes in winter. Ht 40cm. Evergreen.

1 ERIC ATJ 140 10 140 C

Erica x darleyensis Furzey

Dark green foliage with dark rose purple bell flowers in winter. Ht 30cm. Evergreen.

1 ERIC FUR 140 15 140 C

E. D. Cherry Stevens

Erica x darleyensis Kramers Red

Flat growing hardy Heath with rosy red flowers in winter. NO LIME. Ht 25cm. Evergreen.

1 ERIC KRA 140 20 140 C

Erica x darleyensis Silver Beads

Neatly rounded plant with deep glossy green foliage and silver white flowers in winter. Ht 30cm. Evergreen.

(E. d. Silberschmeize)
ERIC SIL 140 10x25 140 C

ERYNGIUM**Eryngium giganteum Silver Ghost**

An upright, branching biennial with cone-like heads of blue flowers surrounded by spiny, silvery-white bracts. Ht 75cm

ERYN SIL 140 25 140 C

ESCALLONIA

Escallonias are tough, quick maturing, hardy shrubs which respond favourably to trimming. This with their tolerance of salt wind makes them ideal for hedging. With informal hedges trim immediately after flowering, to have a spectacular display the following year.

Escallonia macrantha

Flowers rose crimson in summer on a vigorous hardy bush with large deep glossy green leaves. This is the popular red form used in hedging. Ht. 2m. Evergreen.

ESCA MAC OLV 60 OLV C
Red Escallonia

Escallonia Red Dream

Compact hardy small bush with dark green leaves and red stems. Red flowers in summer. Ht. 1m. Evergreen.

ESCA REDD 175 30 175 C

Escallonia x exoniensis

Also known as 'White Profusion'. A vigorous hardy shrub with white, sometimes blush pink flowers in summer. This is the popular white form used in hedging. Ht. 2m. Evergreen.

ESCA EXO OLV 50 OLV C
White Escallonia

EUCRYPHIA

A Choice small group of trees from south America and Australia. Highly prized for their scented white flowers during summer and Autumn. What else can you ask for a small Evergreen tree with scented flowers.

Eucryphia cordifolia

White flowers in summer. Hardy small tree or shrub for the open woodland. Ht 3m. Evergreen.

EUCR COR 175 50 175 C
Ulmo

Eucryphia lucida Leatherwood Cream

Fragrant white flowers on an upright bush with cream edged leaves. Ht. 2m. Evergreen.

EUCR LCR 175 90 175 C
Leatherwood

Eucryphia lucida Carousel

Larger pink flowers with crimson stamens on an upright bush in summer. Spectacular in flower. Ht. 3m. Evergreen.

EUCR LCAR 175 50 175 C

Leatherwood**Eucryphia milliganii**

Dark green dainty shining leaves and dainty white pea sized flowers in summer. Ht. 1.5m. Evergreen.

EUCR MIL 175 30 175 C

Eucryphia x nymansensis Nymansay

Large white flowers in summer. Highly ornamental. Prefers moist woodland position. Ht 4m. Evergreen.

EUCR NYM 175 80 175 P

**EUPHORBIA****Euphorbia corallioides**

Coral-spurge, 50cm, light yellow young shoots are flushed with pink, re-blooms after dead-heading.

EUPH COR 175 25 175 C

Euphorbia ploychroma

Grey green foliage and lime green bracts in summer make a good contrast. Plant in sunny well drained soil. Ht. 30cm.

Heuchera Lime Marmalade

Clear lime green leaves, great ground cover for lightly shaded garden

HEUC LEMM 175 30 175 C

HYDRANGEA

A rewarding group of shrubs at their best when most others have finished for the year. The very popular *H. macrophylla* (*H. hortensia*) has very attractive heads of flowers from mid summer to autumn. They are divided into two groups - those with mop heads (round ball heads of flowers), and lacecaps (a flat head of flowers with the spectacular large flowers as a ring around the edge of the head) The flower colour may be: creamy white, pink - red, or pale blue - deep violet blue. It is most unusual in that pink or blue flowers are controlled by the availability of aluminium in the soil. Acid soils and aluminium sulphate gives blue flowers. Sweet, alkaline soils and no aluminium gives pink - red flowers. Flower size may also be dramatically improved by a good, well drained moist fertile soil, giving the best results. Pruning should be done each year in the spring and restricted to removing dead and weak wood right out at the base of the plant. Also some thinning maybe necessary to allow room for new water shoots to come through from the base each year. Do not trim the top back, as the flowerbuds were formed the previous summer/autumn. *H. macrophylla* should be protected from the worst of the winter frosts, this is why the deadheads should be retained until spring. I find the *H. arborescens* and *H. paniculata* forms much tougher to winter cold. They may be pruned in late winter or very early spring, as flower buds do not form until this time.

Hydrangea arborescens Annabell

White heads of flowers in late summer to autumn. Best in some shade. Ht.1.5m.
Deciduous.

Pieris

Lily of the Valley Bush

This close relative of the Rhododendron requires the same conditions, and is used in the landscape in the same way. However the panicals of mainly white flowers are very distinct, and very ornamental as is the foliage, especially when in full new growth in the late spring. As with rhodos it is important to deadhead after flowering. I leave this until early November when all fear of frost is over. This delays the vulnerable new growth. To control weeds near the plants, mulch with pea straw/peat and bark mix/pine duff. This feeds the plant and keeps the roots cool and moist.

Pieris Flaming Silver

Brilliant red new growths turning green with a silver edge in summer. White flowers in spring. Ht. 1.25m. Evergreen.

Lily of the Valley Bush

Pasque Plant

Pulsatilla vulgaris Red Bells

Bright red flowers on a compact perennial in summer. Best grown in a sunny site.

	Red Pasque flower			
PULS REBS 140	25	140	C	

Pulsatilla vulgaris Violet Bells

Lovely plant growing to 30cm with dark violet flowers

	Pasque Flower			
PULS VUVB 140	5	140	C	

Rhododendron

Rhododendrons are indispensable for spring colour in any garden. There is a huge range of colours, sizes and shapes to choose from. They all prefer an acid free draining organic moist soil. In a position sheltered from the worst wind and hottest sun. I find they do best in a mixed boarder with a few trees dotted through e.g.. Maples magnolias, apples or dogwoods which contrast nicely.

Rhodo Albert Schweitzer

A large shrub of upright habit with large conical trusses of rose-Bengal flowers with a deeper red blotch. Ht 1.5m

RHOD ALBS OG	45	250	C	
--------------	----	-----	---	--
