Azalea

Deciduous Azalea

These tough hardy deciduous Rhododendrons produce spectacular usually highly scented flowers in spring to early summer. In autumn they also make a fine display with there autumn foliage. They are indispensable for punctuating the seasons in a good garden. For best performance plant in an organic free draining acid soil. Blue Mountain Nurseries is famous for developing many of the double azaleas available with Denis working on more all the time.

Rhododendron				
Rhododendrons are indispensable for spring colour in any garden. There is a huge range of colours, sizes and shapes to choose from. They all prefer an acid free draining organic moist soil. In a position sheltered from the worst wind and hottest sun. I find they do best in a mixed boarder with a few trees dotted through e.g.. Maples magnolias, apples or dogwoods which contrast nicely.
