Azalea

Deciduous Azalea

These tough hardy deciduous Rhododendrons produce spectacular usually highly scented flowers in spring to early summer. In autumn they also make a fine display with their autumn foliage. They are indispensable for punctuating the seasons in a good garden. For best performance plant in an organic free draining acid soil. Blue Mountain Nurseries is famous for developing many of the double azaleas available with Denis working on more all the time.

Azalea Barbecue

Masses of double apricot flowers on a compact well rounded bush in November. AZAL BAR OG 30 250 C
Ht 1m (Solent)

Rhododendron				
Rhododendrons are indispensable for spring colour in any garden. There is a huge range of colours, sizes and shapes to choose from. They all prefer an acid free draining organic moist soil. In a position sheltered from the worst wind and hottest sun. I find they do best in a mixed boarder with a few trees dotted through e.g.. Maples magnolias, apples or dogwoods which contrast nicely.				
Rhodo Apple Brandy Pink buds maturing to cream flowers in Oct. Neat bushy plant with silvery green new growth maturing to deep forest green. Ht 1m.	New 14 RHOD APP OG	25	ST	C
